Big thanks to Public Works for getting the curb painted red. The no parking signs were not working. With the curb painted red, we will start towing cars.

SAFETY MESSAGE

Traveling for the Holidays? Be Prepared

Many people choose to travel by car during the holidays, which has the highest fatality rate of any major form of transportation based on fatalities per passenger mile. In 2017, 329 people died on New Year's Day, 463 on Thanksgiving Day and 299 on Christmas Day, according to [Injury Facts](#). Alcohol impairment was involved in about a third of the fatalities.

Stay safe on the roads over the holidays and every day:

- Prepare your car for winter and keep an emergency preparedness kit with you
- Get a good night's sleep before departing and avoid drowsy driving
- Leave early, planning ahead for heavy traffic
- Make sure every person in the vehicle is properly buckled up no matter how long or short the distance traveled
- Put that cell phone away; many distractions occur while driving, but cell phones are the main culprit
- Practice defensive driving
- Designate a sober driver to ensure guests make it home safely after a holiday party; alcohol or over-the-counter, prescription and illegal drugs can cause impairment
