Auto Burglary Prevention Tips

Here are a few steps you can follow in protecting your property and to discourage would-be criminals from committing auto burglaries:

- Do not leave valuable items in your car.
- Close all windows and lock all doors before leaving your vehicle.
- Park in well-lit, heavily populated areas.
- Trust your instincts. If something doesn't feel right, find another place to park.
- Avoid parking next to occupied vehicles.
- Be aware of your surroundings.
- Make a copy of your registration and insurance and keep them in your wallet or purse. Then remove all forms of identification from your vehicle. Anyone with permission to drive your vehicle should also have a copy of the registration and insurance with them to furnish to the police if necessary.
- Do not leave garage door openers in parked vehicles.
- Don't think your dark tinted windows will hide your valuables. Thieves often use flashlights to see through tint.
- If you are parking your vehicle for several days check on it periodically.
