SAFETY MESSAGE

BACK TO SCHOOL SAFETY

STOP FOR SCHOOL BUSES

You may need to add more time to your commute, because when buses stop to pick up students, other drivers need to stop, too.

- Yellow flashing lights mean slow down — don't speed up — because the bus is preparing to stop. There are likely students waiting to get on the bus or parents waiting nearby to pick up children.
- Red flashing lights mean stop — and wait at least 20 feet behind the bus — because children are getting on or off the school bus. Stay stopped until the red lights stop flashing, the extended stop-arm is withdrawn, and the bus begins moving.
- Even when lights aren't flashing, watch for children, particularly in the morning or mid-afternoon, around school arrival and dismissal times. Be alert as you back out of a driveway, or drive through a neighborhood, school zone or bus stop.
