

## Determination of the Mayor, as Chair of the Cottonwood Heights City Council, Concerning Electronic Meeting Anchor Location

**PURSUANT TO** UTAH CODE ANN. 52-4-207(4), I, the undersigned mayor and chair of the Cottonwood Heights city council (the "*Council*"), hereby determine that conducting Council meetings at any time during the next 30 days at an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location. The World Health Organization, the President of the United States, the Governor of Utah, and the Salt Lake County Mayor and Health Department, have all recognized that a global pandemic exists related to the new strain of the coronavirus, SARS- CoV-2.

Due to the state of emergency caused by the global pandemic, I find that conducting a meeting at an anchor location under the current state of public health emergency constitutes a substantial risk to the health and safety of those who may be present at the location. According to information from state epidemiology experts, Utah is currently in an acceleration phase, which has the potential to overwhelm the state's healthcare system.
