What is Neighborhood Watch

Neighborhood watch is exactly what it sounds like and is more than locks and hardware. Its about neighbors helping neighbors by watching out for each others property. Effective neighborhood watch groups increase awareness and community involvement to help by reporting suspicious activity.

Who and when to call

Don't ever feel like you cant call or that you are bothering an officer to check it out. You are extra eyes and ears for the police department. We need you! Being able to explain what you are seeing is the most important part.

To report suspicious activity such as a strange vehicle or someone walking around your neighborhood you haven't seen before, or even a strange noise, call dispatch on the non emergency number [801-840-4000](tel:801-840-4000).

For an active crime, life threatening emergency or fire, always call **911**.
