WELCOME & INTRODUCTIONS

CITY UPDATES & INFORMATION

Ann updated us that the city building is open now from 8 am - 5 pm. Business should be done virtually still as much as possible. Council-member Peterson introduced & welcomed.

Photography show was taken down, and there will be no artist of the month until the city is in Green status.

Art piece Update: Screen share didn't work, but Laura gave an update on ideas that we will narrow down at the next meeting. Vote on a theme that will start at the City building & grow throughout the community to bring continuity (with different materials & use of natural light), or just get one at the City building. Possibly have people or businesses purchase them or sponsor them, to save money? Budget & grant funds are still unclear at this point. Also, explore marquee options that will compliment the art piece. Next step is to start on a plan & concepts to present to City Council & Tim.

BUDGET ITEMS

-Caroline requested \$600.00 from surplus as the art closet organization budget. Unanimously approved. She will send out an email schedule for helpers to sign up. Caroline will try to sell items that we won't use again in the future to other cities.

-\$37,660.00 minus gift cards for volunteers, will carry over to next year. Plus, \$10,000 for next year, in addition to grant money.

UPCOMING EVENTS

(Most events will be up for discussion at the next meeting, since events have been postponed until Green status by the Governor)

-Online Master Classes for theater: Caroline & Erin are setting it up

-Insect Pinning class Monday

-Follow the Historic Committee on social media
