Appeals Hearing Officer Services Agreement

THIS APPEALS HEARING OFFICER SERVICES AGREEMENT (this “*Agreement*”) is made effective 1 September 2020, by and between the city of **COTTONWOOD HEIGHTS**, a Utah municipality (“*City*”), and **PAXTON R. GUYMON** (“*Contractor*”).

WITNESSETH:

A. City desires to engage a qualified individual to act as City’s land use appeal authority and appeals hearing officer (“*Hearing Officer*”) as authorized by, *inter alia*, the Municipal Land Use, Development, and Management Act codified as UTAH CODE ANN. 10-9a-101 *et seq.* (“*LUDMA*”) and Chapter 19.92 of the COTTONWOOD HEIGHTS CODE OF ORDINANCES.

B. Contractor is a licensed attorney with the necessary professional experience and training to perform Hearing Officer services for City, and has acted as a Hearing Officer for the City since 2018.

C. City desires to retain Contractor to continue to serve as one of City’s Hearing Officers, and Contractor desires to be so retained by City, as provided in this Agreement.

D. The parties have determined that it is mutually advantageous to enter into this Agreement.

AGREEMENT:

NOW, THEREFORE, in consideration of the premises, the mutual covenants and undertakings of the parties hereto, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. **Engagement of Contractor.** City hereby engages Contractor, and Contractor hereby agrees, to perform the Services (defined below) as specified in this Agreement.

2. **Detailed Description of the Services.** In furtherance of this Agreement, Contractor shall do, perform, and carry out in good, professional and timely manner, the following Hearing Officer services to the City with respect to land use appeals, variance requests and any other administrative hearings authorized in the COTTONWOOD HEIGHTS CODE OF ORDINANCES (the “*City Code*”) as may be assigned from time to time by City’s manager (the “*Manager*”):

(a) Conduct administrative hearings and render decisions on all matters assigned by the Manager.

(b) Render all decisions in writing within the times required by the City Code, LUDMA or applicable Utah state law. Such written decisions shall include findings of fact and conclusions of law, and otherwise provide a thorough, reasoned analysis of the matter and a decision that is clear and supportable under applicable law.

(c) Such other Hearing Officer-type services as may be reasonably required or designated by the Manager.

Such work, together with all ancillary and additional services and materials as may be reasonable required to accomplish the desired result in a competent, comprehensive and finished manner, is referred to herein as the “*Services.*”

3. **Fees for Services.** City shall pay Contractor for Services actually performed at the rate of \$195 per hour. City shall not provide Contractor with worker’s compensation insurance, unemployment compensation insurance, or health insurance. Nothing in this Agreement shall be construed as entitling Contractor to any benefits, compensation, retirement, or protections provided by the City to City employees. The hourly compensation provided in this section 3 shall be the total compensation paid by the City for the services provided by Contractor. Contractor acknowledges that the City will not withhold any federal, state or local taxes and that Contractor is solely responsible for any and all compensation-based taxes that Contractor may owe.

4. **Method of Payment.** Each calendar month, Contractor shall submit to City a detailed invoice setting forth the Services performed during the immediately preceding calendar month, describing the Services rendered by type and date and specifying the resulting charges. Contractor’s work time shall be recorded and billed in one-tenth hour increments. Any reimbursable costs shall be separately itemized and accompanied by such back-up documentation as City reasonably may require. City shall pay (or provide a reasoned objection to) the amount set forth in the current invoice within 30 days after receipt.

5. **Services Performed in a Professional, Reasonable Manner.** Contractor shall perform the Services in a professional, reasonable, responsive manner in compliance with all laws and applicable standards of performance. Subject to the foregoing, the exact nature of how the Services are to be performed and other matters incidental to providing the Services shall remain with Contractor.

6. **Personnel, Equipment and Facilities.** Contractor shall at its sole cost furnish all supervision, personnel, labor, equipment, materials, supplies, office space, communication facilities, vehicles for transportation and identification cards, and shall obtain all licenses and permits, necessary or incidental to performing any and all of the Services. Without Manager’s prior consent, Contractor shall not use City staff as a means to perform the Services in lieu of using Contractor’s own staff. Although hearings on matters being adjudicated by Contractor may, for convenience of the applicant or parties to an appeal, be conducted in City’s offices, Contractor shall not otherwise perform any of the Services on City’s premises or utilize any City equipment or supplies.

7. **Term.** This Agreement shall be effective on the date hereof and shall terminate at 11:59:59 p.m. on 30 June 2021. This Agreement thereafter shall be automatically extended for successive terms of one year each (extending from each July 1st through the following June 30th) for up to five successive one-year terms, subject to the parties’ termination rights under section 9, below.

8. **Independent Contractor Status.** Contractor shall perform the Services as an independent contractor, and all persons employed by Contractor in connection herewith shall be employees or independent contractors of Contractor and not employees of City in any respect.

(a) **Control.** Contractor shall have complete control and discretion over all of

Contractor's personnel providing Services hereunder. Contractor shall be responsible for his own actions and the actions of his employees, agents or officials (if any), specifically including liability resulting therefrom, and also including, but not limited to, benefits, insurance, worker's compensation, and/or other applicable items.

(b) Salary and Wages. Subject to Section 3, above, City shall not have any obligation or liability for the payment of any salaries, wages or other compensation to Contractor's personnel providing Services hereunder.

(c) No Employment Benefits. Except for any City staff assigned by Manager to assist Contractor in performing the Services, all personnel providing Services are and shall be and remain Contractor's employees, and shall have no right to any City pension, civil service, or any other City benefits pursuant to this Agreement or otherwise.

(d) No Authority to Bind City. Contractor shall be an independent contractor and, as such, except as may be otherwise expressly set forth in this Agreement, shall have no authorization, expressed or implied, to bind the City to any agreements, settlements, liability, or understanding whatsoever. Contractor agrees not to perform any acts as an agent for the City, except as expressly set forth in this Agreement. Contractor shall not represent himself to anyone as an employee of the City, but shall only represent himself as an independent contractor.

(e) Taxes and Assessments. Contractor shall pay all lawful taxes, assessments, or charges which at any time may be levied by the state, county, City, district, or any other tax or assessment levying body upon Contractor's interest in this Agreement.

9. Termination. Contractor is expressly expected to be an independent adjudicator and shall not be subject to termination under this Agreement solely based on the outcome of any hearing matter assigned to Contractor for adjudication. Subject to the foregoing:

(a) City may terminate this Agreement for cause at any time without prior notice by providing Contractor with written notice of termination describing Contractor's breach of this Agreement. "Cause" is defined as a bad faith performance, unreasonable performance, lack of performance, or violation or breach of the terms and conditions of this Agreement or federal, state, and municipal laws, rules, and regulations.

(b) If an appeal is not scheduled or being conducted before Contractor, either party may terminate this Agreement for any or no reason by providing the other party written notice of termination at least 30 days prior to termination date.

(c) Within 48 hours of the termination or expiration of this Agreement, Contractor shall return to City any City equipment or documents that he may have in his possession.

(d) Neither party shall have any liability to the other for damages nor other losses because of termination of this Agreement, provided; however, City shall pay Contractor all amounts due for actual work performed within the scope of Services before the effective date of the termination.

10. **Indemnification.** Contractor shall defend, indemnify, save and hold harmless City (including, without limitation, its elected and appointed officers, employees, successors and assigns) from and against any and all demands, liabilities, claims, damages, actions and/or proceedings, in law or equity (including reasonable attorneys' fees and cost of suit), relating to or arising in any way from the Services provided, or to be provided, hereunder; provided, however, that Contractor shall not be responsible for the constitutionality or other legality of any Utah state law (statutory or decisional) or City ordinance reasonably used by Contractor as the legal basis for any written decision of Contractor in any appeal adjudicated by Contractor under this Agreement. Contractor shall so defend, indemnify, save and hold harmless City whether such demands, liabilities, claims, damages, actions and/or proceedings are attributable to the simple negligence, gross negligence, recklessness or intentional misconduct of Contractor (or any officers, employees, agents, subcontractors, etc. of Contractor), or under any other applicable legal theory, and shall be effective whether or not such negligence, recklessness or other misconduct reasonably was foreseeable. Nothing herein shall, however, require Contractor to indemnify as provided in this section with respect to (a) City's own negligence or intentional misconduct, or (b) any demand, liability, claim, damage, action and/or proceeding not alleged to relate to the Services provided, or to be provided, by Contractor hereunder.

11. **Laws and Regulations.** Contractor shall at all times comply with all applicable laws, statutes, rules, regulations, and ordinances, including without limitation, those governing wages, hours, desegregation, employment discrimination, workers' compensation, employer's liability and safety. Contractor shall comply with equal opportunity laws and regulations to the extent that they are applicable. Contractor also shall comply with all applicable ethical rules and shall treat with courtesy and respect all parties appearing before Contractor. Contractor further agrees to provide the Services at a level consistent with the manner and practices used by other land use Hearing Officers practicing in Utah.

12. **Non-Exclusive Rights.** Nothing in the Agreement is to be construed as granting to Contractor any exclusive right to perform any or all Services (or similar services) now or hereafter required by City. Nothing in this Agreement shall be construed as guaranteeing Contractor any minimum amount of work under this Agreement.

13. **Conflict Resolution.** Except as otherwise provided for herein, any dispute between the parties regarding the Services which is not disposed of by agreement shall be decided by City, which shall provide written notice of the decision to Contractor. Such decision by City shall be final unless Contractor, within 30 calendar days after such notice of City's decision, provides to City a written notice of protest, stating clearly and in detail the basis thereof. Contractor shall continue its performance of this Agreement during such resolution. If the parties do not thereafter agree to a mutually-acceptable resolution, then they shall resolve the dispute pursuant to section 14 below.

14. **Claims and Disputes.** Unresolved claims, disputes and other issues between the parties arising out of or related to this Agreement shall be decided by litigation in the Third Judicial District Court of Salt Lake County, Utah. Unless otherwise terminated pursuant to the provisions hereof or otherwise agreed in writing, Contractor shall continue to perform the Services during any such litigation proceedings and City shall continue to make undisputed payments to Contractor in accordance with the terms of this Agreement.

15. **Notices.** Any notice required or permitted to be given hereunder shall be deemed

sufficient if given by a communication in writing and shall be deemed to have been received (a) upon personal delivery or actual receipt thereof, or (b) within three days after such notice is deposited in the United States Mail, postage prepaid, and certified and addressed to the parties as set forth below:

To the extent applicable, City shall be deemed to be the “author” of all Work Product, and all Work Product will constitute “works made for hire” under the U.S. Copyright Act (17 U.S.C. §§ 101 et seq.), and any other applicable law. (g) Waiver. No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or of such or any other covenant, agreement, term or condition. Any party may, by notice delivered in the manner provided in this Agreement, but shall be under no obligation to, waive any of its rights or any conditions to its obligations hereunder, or any duty, obligation or covenant of any other party. No waiver shall affect or alter the remainder of this Agreement but each and every other covenant, agreement, term and condition hereof shall continue in full force and effect with respect to any other then existing or subsequently occurring breach.

(h) Rights and Remedies. The rights and remedies of the parties hereto shall not be mutually exclusive, and the exercise of one or more of the provisions of this Agreement shall not preclude the exercise of any other provisions hereof.

(i) Severability. In the event that any condition, covenant or other provision hereof is held to be invalid or void, the same shall be deemed severable from the remainder of this Agreement and shall in no way affect any other covenant or condition herein contained.
