WORK SESSION

Mayor Peterson called the meeting to order at 5:00 p.m. and welcomed those present.

1.0 2019 Big Cottonwood Marathon & Half Marathon – Alec Fowler with Brooksee.

Assistant Chief of Police, Paul Brenneman, reviewed the 2019 Big Cottonwood Marathon and Half Marathon route. He stated that it is their intention to open traffic in both directions at 9:00 a.m. and they will require additional staff. Traffic mitigation issues were reviewed. Notification will be provided 10 days in advance to alert residents of the closures. Chief Brenneman explained that adaptations have been made near the finish line to facilitate the flow and decrease emptying times from one hour to 20 minutes.

Alec Fowler from Brooksee reported that they have 4,500 registered participants and this is the second largest running event in the State. Routes were discussed. Groups within the City were encouraged to participate. Mr. Fowler confirmed that businesses within Cottonwood Heights are eligible for the free advertising offer, even if they are outside of the route.

2.0 Review of Business Meeting Agenda – Mayor Mike Peterson.

Mayor Peterson reviewed the upcoming business meeting agenda.

Senior City Planner, Matt Taylor, reviewed the Bengal Bend Cove Land Use and Zone Map Amendment. He explained that it was zoned Residential Office and had the right to create another lot. Since then, the property owner put the property up for sale and found a buyer. The new buyer is the applicant. The restrictions were described. Mr. Taylor reported that the Planning Commission was very supportive of the change and determined that lot was not ideally suited for a commercial
or residential office lot. Staff agreed with their position and made a positive recommendation to amend the General Plan and zoning to accommodate the applicant.

Mayor Peterson next discussed the Interlocal Agreement with the Central Wasatch Commission. He clarified that it codifies their agreement to provide funding each year to the Commission along with 10 additional entities. He noted that funding proposed Cottonwood Heights with a seat on that commission, which is currently focused on transportation.

City Manager, Tim Tingey reported that they have negotiated with Holladay City and Millcreek on sharing services for sustainability. They are agreeable to starting out slowly with minimal hours to work toward several items. He confirmed that they are planning on 12 to 18 hours per week with funding of $7,000 per City. Cottonwood Heights is responsible for the full-time employee.

Mr. Tingey next stated that they approached the school district as they have not had an increase in their contribution toward a School Resource Officer since the City incorporated. The Superintendent and Business Representative agreed to the increase from $30,000 to $40,000 in the first year, $42,500 the following year, and then increasing the pay to $45,000 per year.

Chief Russo commended Mr. Tingey for his efforts as they have tried for years to increase their contribution without success.

Public Works Director, Matt Shipp reviewed improvements to the restrooms and pavilion at Mountain View Park.

Appointments to the Parks, Trails and Open Space Committee were next discussed.

City Manager, Tim Tingey, reviewed the surplus agenda item and explained that play set pieces are being sold to Kearns High School to be used at their performance of The Little Mermaid.

3.0 City Council and Staff Reports.

a. Interlocal Agreement with Millcreek, Holladay and Cottonwood Heights on Sustainability – Tim Tingey, City Manager.

Mr. Tingey reported that a full-time employee by the name of Samantha DeSeelhorst had been hired to work on sustainability issues in the City. Her background and experience were described.

Mayor Peterson indicated he met Ms. DeSeelhorst through Council Member Mikell while on a panel at the University of Utah. She was a fellow panel member and recent graduate from the Sustainability and Planning Program. Ms. DeSeelhorst later contacted the City and applied for the position.

Mr. Tingey reported that they had a large number of impressive and qualified applicants. The position will include a lot of planning and dealing with future issues. Millcreek and Holladay were in favor of working together on sustainability and agreed to start slow with limited contributions.
b. **Bengal Bend Cove Land Use and Zone Map Amendment.**

Mr. Taylor reviewed the Bengal Bend Cove Land Use and Zone Map Amendment and stated that it was zoned Residential Office which allows for the creation of one additional lot. Since then, the property owner put the property up for sale and found a buyer who is the current applicant. The restrictions were described. Mr. Taylor reported that the Planning Commission was very supportive of the proposed change and felt the lot was not ideally suited for commercial or residential office development. Staff agreed and made a positive recommendation to each amend the General Plan and zoning map to accommodate the request.

BUSINESS MEETING

1.0 WELCOME/PLEDGE

Mayor Peterson called the meeting to order at approximately 7:00 p.m. and welcomed those present.

The Pledge of Allegiance was led by Leo Weaver from Boy Scout Troop 268.

2.0 CITIZEN COMMENTS

Tim Hallbeck commented that the public survey has expanded from 40 to 3,800 residents. The results
of each survey question averaged a 3-to-1 response. The largest amount of feedback pertained to
where to find information on the website.

3.0 PUBLIC COMMENTS

3.1 Bengal Bend Cove Land Use and Zone Map Amendment – Matt Taylor, Senior
Planner.

Senior City Planner, Matt Taylor presented the staff report and stated that the request is from Eric
Corbin, who has requested the Bengal Bend Cove Land Use and Zone Map Amendment for property
located at 7683 Bengal Bend Cove. The proposed amendment would change the General Plan from
a Neighborhood Commercial designation to Residential Low-Density. The proposed zoning map
amendment would change the zoning from Residential Office to Residential Single-Family. Mr. Taylor indicated that the property owner listed the property for sale and Mr. Corbin contracted to purchase it for residential use. Although residential is allowed in the RO zone, it requires additional setbacks next to residential zones. Staff and the Planning Commission both recommended approval.
Mayor Peterson opened the public hearing.

Bob Harbrecht asked if the large trees along the south wall will be removed. The applicant, Eric Corbin confirmed that it is their intention to remove the trees that will impact where they plan to construct a building. Any that can be preserved or trimmed will be.

Lynn Krauss expressed her support for the proposal.

4.0 STANDING QUARTERLY REPORTS

4.1 Public Works Report - Public Works Director, Matt Shipp.

Public Works Director, Matt Shipp expressed appreciation to his staff who did a tremendous job during Butlerville Days. He presented the Public Works Report and stated that the Fort Union and Highland Drive Project has been extended five weeks due to weather delays and permitting through Rocky Mountain Power. The original contract was for 120 days and was scheduled to be completed mid-July. He confirmed that they have a new substantial completion date of August 28. Mr. Shipp explained that a few years prior, the Council budgeted their portion of the project which was 6.77% of roughly a $4.5 million job. At the time, they budgeted the full 6.667% and the project itself came in under budget. He noted that the proposed changes will not impact the original budget.

Upcoming night closures will take place from 9:00 p.m. to 5:00 a.m. to allow for paving. The 2018-2019 road maintenance projects have all been completed. The 2019-2020 projects have been put out to bid and include approximately 3.5 million square feet of surface treatment along with crack sealing and various potholing projects. Mr. Shipp confirmed that the Scottish Drive Subdivision is slated for reconstruction. 3000 East is also is being prepared for bid and once underway, should not take more than four days to finalize.

Mr. Shipp reported that Holladay City approved their budget for their portion of the project and will reimburse Cottonwood Heights for the work. They are in the process of negotiating a contract for the 2300 East roundabout project and they hope to have it signed with UDOT by the following week. This is a City-sponsored project but utilizes federal funds so the oversight is from UDOT. As a result, they must follow their process. Mr. Shipp next reviewed the Stormwater Master Plan and explained that they are in the process of reviewing the statements of qualification requests. Once completed, they will present a contract to the Council to update the Master Plan.

4.2 Unified Fire Report – Assistant Chief Mike Watson

Assistant Chief, Mike Watson, presented the Quarterly Fire Report and stated that with respect to overtime, they have changed their queries but questioned the results of the most recent report for Station 110. Analytic candidates were being interviewed and they are close to having a finalist vetted. June closed with 93 total calls, 64 medical, and 29 fire calls. During the quarter, Station 110 received 82 Advanced Life Support (ALS) calls of which 70 resulted in transport and 96 Basic Life Support (BLS) calls of which 31 resulted in transport. There was a total of 178 calls with 101 resulting in
transports. Chief Watson reported that Station 116 zone closed with 45.2% of total calls resulting in transports. He commented that Butlerville Days went as smooth as he has ever seen it.

Mayor Peterson reported that he received numerous comments of appreciation from citizens who attended Butlerville Days and felt it a safe event.
