RE: CUP-25-004

Dear Mike Johnson,

I am writing to express my sincere gratitude for your support and guidance throughout the conditional use permit application process. Your professionalism, responsiveness, and willingness to assist us made what could have been a complex and intimidating experience into one that was clear, collaborative, and constructive.

After thoughtful consideration, we have decided not to pursue the rental opportunity at this time. While it was a difficult decision, we believe it is the right one given our current priorities and direction. Nonetheless, we remain incredibly appreciative of the time and attention you devoted to our application and the respectful, helpful dialogue we experienced throughout the process.

Thank you again for your dedication to serving the community and for the work you do in shaping the future of Cottonwood Heights. Your efforts are truly appreciated.

With Sincere Gratitude,

Bento Viana
President
